AUS 2 7 1975

Dave Hamburg may well be in the stratigic site for following; so I am showing all this with him. We both thank you!

I had been in touch with Jensins before as one who shows the sense of priority we would give to stateless war"; I did not know he had gone into this detail and surely will beep him in mind!

again, fhauls.

(and hope I will not be
pesterny you frustum
